

Dear Facility Managers, FM Consultants,

Let me invite you to participate in the upcoming webinar on **"COVID-19 country experiences from the perspective of facility managers"**. The webinar will be organized by the FM Consultants Council of IFMA Association (FMCC).

The webinar takes place **Wednesday 16 September from 14:00 hour CEST (13:00 hour BST, 8 am CST)**.

The webinar will be provided in the **GoToMeeting virtual environment**.

Participation in the webinar is free.

We invite FM consultants and facility managers from CEE countries to participate (mainly from Poland, Lithuania, Latvia, Estonia, Ukraine, Russia, Slovakia, Hungary, Romania, Bulgaria, Croatia, Slovenia, Serbia, Turkey). However, we appreciate the participation of representatives from other countries. Only one representative, who will present his / her intention and the issue of providing FM services during the corona crisis, will be selected from each registered country.

Basic content of the webinar (the expected length of the webinar is 2.5 hours):

1. Introduction (Mike Liddle, CFB; Ondrej Strup, IFMA Fellow)
2. Presentation of IFMA (Peter Ankerstjerne, MBA, COP, FRICS, IFMA Fellow) – Chairman of IFMA
3. Presentation of FMCC (David Reynolds, CFM, FMP) – President of FMCC
4. Presentation of representatives from individual countries
5. Discussion on common topics
6. Conclusion

If you are interested in this webinar, please send your response in the form of a return email with the answer whether you want to:

- present information on the situation and experience in your country
- participate as a listener and possibly join the discussion at the end

This invitation is distributed via direct emails or social networks. If you know professionals in your area who would like to participate, send them this invitation.

Thank you very much for your reaction.

We are looking forward to your participation.

Best Regards
